

ST. MICHAEL PARISH SCHOOL RELIGION PROGRAM

All children in grades 1-8 who do not attend a Catholic school are encouraged to participate in the St. Michael Parish School Religion (PSR). PSR is designed to promote catechesis and education as a solid foundation that children can carry with them into adulthood. We are committed to providing an environment that will allow children to learn, experience, and grow as members of our Catholic community.

St. Michael parish can always use your support as a PSR teacher or substitute teachers. Please consider joining the team! Young people today need more adults to be a part of their lives, especially adults that love Jesus Christ and the Catholic faith. Consider sharing your faith this coming school year.
