

ST. MICHAEL  
THE ARCHANGEL  
CATHOLIC PARISH AND SCHOOL

## *Dear Families,*

Welcome to the preparation for the Sacrament of Confirmation! We are so excited to walk with your children through this process, that culminates with receiving Confirmation. It is very important to me that we can achieve two goals with the program this year. Firstly, that both you and your child feel supported and are fully aware of what's going on and when it is happening throughout the entire process. Secondly, I want your child to know the basics of this Sacrament so they can receive this amazing gift with confidence and joyful anticipation.

The first step to completing both goals is registering for confirmation. Online registration will open August 1, 2022, via [www.saintmichaelchurch.net](http://www.saintmichaelchurch.net). Additionally, you will find several forms within this packet; service form, candidate commitment form, sponsor form, and a calendar of the due dates and all the dates that are set for this sacrament this year.

The service form outlines the student's experience and gives the difference between the two types of service that are required, as well as a list of possible ideas of where to get involved. The sponsor form is what the sponsor will need to fill out to fulfill the role of being a sponsor. In addition to that we have provided you with a small information resource for being and choosing a sponsor. The commitment form is where the student and parent will have to sign and date stating that they do in fact want to receive this sacrament.

If you have any questions about anything that is in this packet or any questions that may come up throughout this year, please do not hesitate to reach out to me. I can be reached during Parish Office hours during the week. Please know of my prayers for you and your families and I cannot wait to get started.

In Christ,

Tyler Marsh, Director of Youth Ministry
